# SUMMER Kids STEAM CAMP

Week 1 – Space STEAM

–Explore the final frontier

Week 2 – Urban Planning STEAM

–Ever wondered how cities and structures are engineered?

Week 3 – Earth Science STEAM - Find the

answers to all of Earths questions! Build volcanoes, explore the depths of the ocean, build your own ecosystem, paint the Earth’s rotation and manipulate the crystals on seashells.

Week 4 -Mystery STEAM -Will you crack the code? Join us in a week filled with mysteries.

Week 5 – STEAM Challenge - Think you can beat our challenges? We dare you to join us during STEAM Challenge Week! We challenge you to build the highest towers, the strongest bridges, to solve the oatmeal cookie math problem and to battle it out with our Lego Mindstorms.

\*\* Lessons will be differentiated for returning campers.
